- Feature listing on SPS News
- Market position through social media promotion
- Search available resume database

“SPS Jobs was very user friendly and easy to navigate, and the posting brought us many qualified applicants. We chose several of them to intern at our lab for the summer and will definitely advertise with SPS Jobs again next year!”

— Princeton Plasma Physics Laboratory

“SPS Jobs is a valuable resource not only for us to advertise our positions, but also valuable for our own undergraduates who are looking for research opportunities elsewhere.”

— Case Western Reserve University
