**RAINBOW RYDERS, INC.
WELCOMES SIGMA PI SIGMA CONGRESS PARTICIPANTS
TO ALBUQUERQUE, NEW MEXICO**

WWW.RAINBOWRYDERS.COM

Rainbow Ryders, Inc. (RRI) is offering all Sigma Pi Sigma Congress participants (including APS and AAPT members as well) hot air balloon rides at a discounted rate of \$130.00 per person + tax during their stay in Albuquerque. This is a very special rate for the Sigma Pi Sigma group (when making your reservations, please mention that you are attending the Sigma Pi Sigma Congress).

RRI will pick up Sigma Pi Sigma Congress participants at their Albuquerque hotel at 6:15 am or 6:30 am (depending on hotel location), arriving at the launch site at 7:00 am where the experience of a lifetime begins. The flight is an hour to an hour-and-a-half long. Our flights take place over the Rio Grande River and valley area of Albuquerque. Once the flight is completed, we pack the balloon and equipment and return to the launch site for a traditional ballooning celebration. This celebration includes a traditional champagne toast, a light continental breakfast (muffins, pastries, fruits and juices), balloon flight pin, and first flight certificate. Passengers may help with balloon inflation and deflation, all they have to do is let the crew know they would like to help. The pilots will conclude the morning with the history of hot air ballooning and the Balloonist's Prayer. Participants will return to their hotels no later than 10:00 am.

Reservations are required and can be completed over the phone with name, number of passengers, credit card information (to secure the reservation), and room number. Payment will be made to your pilot after the flight.

RRI accepts Visa, MasterCard, American Express, Discover, Cash, or Travelers Checks.

Rainbow Ryders, Inc. has been doing flights year 'round for 21 years and is the official ride company for the world's largest balloon event, the Albuquerque International Balloon Fiesta. Reserve your flight to unknown destinations, fun, and excitement today!
