

# TRAVEL AWARDS

## Award Details

A limited number of Travel Awards in the amount of \$200 will be offered to help fund SPS members presenting their research at PhysCon 2016.

## Application Procedures

- Applicants must be members of the SPS national organization.
- Applicants must be undergraduate students at the time of the meeting.
- Applicants must submit an abstract and present a poster at PhysCon.

The application will ask you to provide the title of your poster and a statement stating why you would like to attend PhysCon 2016. The application also requires a certification from an advisor or academic mentor that the applicant is in good standing with the department.

Recipients will be required to acknowledge the support that you received by including an SPS logo on your poster. The award check will be presented at PhysCon or immediately following, upon verification of your attendance.
